

Action Plan - CDBG Disaster Recovery Funds

The Department of Commerce has developed the State of Wisconsin Disaster Recovery Action Plan for \$25,039,963 of Community Development Block Grant Disaster Recovery Supplemental Funding. The U.S. Department of Housing and Urban Development (HUD) is making this federal funding available for expenses related to disaster relief, long-term recovery, and restoration of infrastructure, housing and economic revitalization in the Wisconsin counties where the President declared a major disaster area due to the June-July, 2008 flooding and storms. The Action Plan sets forth the method of distribution of these HUD funds to units of local government for disaster related projects.

This draft Plan has been approved by HUD.
