

Ashland Waterfront Projects

From 2002 to 2006, the City of Ashland has undertaken a number of waterfront projects including:

The extension of 1,820 feet of waterfront trail to provide a connection to the Waterfront Trail from Memorial Park;

The revision of the City of Ashland Comprehensive Plan to better integrate coastal management issues with the City's comprehensive plan;

The relocation of a storm sewer that discharged in an area of contamination in Lake Superior to a location that minimizes resuspension and further distribution of contaminated materials into Lake Superior.

- WI Department of Administration (DOA) Coastal Management Program Grants (\$198,963 from 2002 to 2006)
