

**Requirements of Credential:** Pursuant to s. 145.14, Stats., the plumbing activities that may be undertaken by a person who holds a credential as a licensed master plumber-restricted appliance, licensed journeyman plumber-restricted appliance, or registered plumbing learner-restricted appliance shall be limited to the installation and modification of water heaters, water softeners, water treatment devices and other items in connection with an existing water supply system which do not require direct connection to the drain system. A person who holds the credential shall carry on his or her person the credential issued by the department while performing or conducting the activity or activities permitted under the credential.

A person who, as a licensed master plumber-restricted appliance, is responsible for an installation or modification of plumbing shall utilize the appropriate credentialed persons to install or modify plumbing. A business engaged in the installation of plumbing that utilizes plumbing learners shall maintain a ratio of at least one journeyman plumber or journeyman plumber-restricted for each plumbing learner. For this purpose, a master plumber or master plumber-restricted may act as a journeyman plumber or journeyman plumber-restricted, respectively.

For any construction or installation that requires a uniform building permit under s. Comm 20.08, persons, entities, or businesses which hold licenses, certifications, or registrations as identified in Comm 5 may not commence construction or installation until a permit is issued.

**Education Hours Required to Renew:** The renewal of a license as a master plumber-restricted appliance shall be contingent upon the master plumber-restricted appliance obtaining at least 12 hours of acceptable continuing education three months prior to the expiration date of their credential. A person who holds a license as a master plumber-restricted appliance may apply to the department for waiver of the continuing education requirements on the grounds of prolonged illness or disability or similar circumstances. Each application for waiver shall be considered individually on its merits by the department.

The Construction Codes Report may contain advertisements for courses, lectures or seminars which will count towards continuing education for a master plumber-restricted appliance license.

## **APPLYING FOR MASTER PLUMBER-RESTRICTED APPLIANCE LICENSE**

A person may obtain a credential as a licensed master plumber-restricted appliance by one of the following methods:

- Method 1      Completing the necessary hours of experience and taking and passing the master plumber-restricted appliance license examination.
- Method 2      Submitting evidence that the person possesses a master plumber-restricted appliance license-retiree.
- Method 3      A person who held a master plumber-restricted appliance license but exchanged it for a journeyman plumber-restricted appliance license may, upon application to the department, exchange his or her journeyman plumber-restricted appliance license, for a master plumber-restricted appliance license. If the exchange is made at the time of renewal a credential fee of \$500 for the master plumber-restricted appliance license shall be submitted.

Apply for the credential by following the instructions for Method 1, Method 2 or Method 3.

**Special Processing Note:** If you hold a current license from another state, or under the ordinances of any city, town or village, you must first complete a petition for variance in accord with Comm 5.90 (4)(c) and (d), Wisconsin Administrative Code. Upon successful completion of the variance process, complete the examination application as specified in Method 1 and provide a copy of the petition approval correspondence.

A petition application and information on the petition process may be obtained by contacting the Safety and Buildings Plan Entry Unit at 608/261-8491. The Application for Credentialing Petition for Variance (form SBD-9890COMM5) can also be found on our Website at <http://www.commerce.state.wi.us/SB/SB-DivForms.html>

### **METHOD 1 - Experience and Examination**

**Application and Exam Fee (nonrefundable): \$50.00**      class code 7630

Make checks payable to: Department of Commerce. The fee consists of a \$20 application fee and an exam fee of \$30. When the exam is passed, the applicant will be asked to pay a \$500 credential fee which will be prorated because the credential expires on a specific date. The credential, which will be issued after the exam is passed and the prorated credential fee paid, will be effective for 4 years from March 31<sup>st</sup>.

**Qualifications for Examination:** A person applying for a master plumber-restricted appliance license examination shall have at least 1,000 hours of experience per year for at least 2 consecutive years as a licensed Wisconsin journeyman plumber-restricted appliance.

If the experience you gained spanned more than 12 consecutive months use a separate row for each 12-month period. The Time Period must be consecutive years from one row to the next. In the Time Period column fill in the beginning month and year and the ending month and year in which the experience hours were completed. In the Experience Hours column fill in the number of hours claimed for that time period but do not record more than 1000 hours in the column even if you worked more than 1000 hours. If the hours were witnessed by more than one person, the hours witnessed by each person must be filled in on separate rows. Photocopies of this page may be made if you need additional room or would like to mail to witnesses to sign. The witness must have observed or had knowledge of the number for work hours performed in plumbing. If the person signing is not the master plumber or master plumber-restricted appliance who supervised your work, attach a letter explaining why and have the master who is in charge on the premises sign below.

Time Period		Experience Hours	Hours Witnessed by (please print or type)	Signature of Witness	Wisconsin State License Number	Telephone Number of Witness
Began Month/Yr	Ended Month/Yr					

In order to obtain the credential the applicant must obtain a score of at least 70% on an examination. The exam will cover Chapter 145, Wisconsin Statutes; and chapters Comm 5 and Comm 82-87, Wisconsin Administrative Code; NFPA 13D-2002. The exam is open code book, component manuals, NFPA, and statutes.

**When there is a change to Wisconsin Administrative Codes, exams will cover the new code one month after the effective date. Current code development projects can be viewed here: <http://commerce.wi.gov/SB/SB-CodeDevelopment.html>**

Copies of current Wisconsin Administrative Code and Chapter 145 may be obtained from Document Sales @ (608) 266-3358 or @ (800) 362-7253. The NFPA standards 13 (2002 edition) of the National Fire Protection Association may be ordered from the National Fire Protection Association @ (800) 344-3555.

Additional training materials relating to this credential are available and may also be ordered through Document Sales @ (608) 266-3358 or @ (800) 362-7253. They are intended to be training guides and may not match the current code.
